GROW WITH US...

Wyoming County offers aggressive financial and tax incentives to stimulate business growth and job creation. We're ready to help you access business resources and can bundle incentives offered by New York State and the Wyoming County Industrial Development Agency, local utilities and others to help your bottom line.

THE WYOMING COUNTY ADVANTAGE

- **Property Tax Abatement:** Available for business expansion projects for a 10-year period on the improved value of property
- **Mortgage Recording Tax Abatement:** Equaling 1.25% of the mortgage amount
- **Sales Tax Abatement:** Provides for the abatement of sales tax on eligible purchases prior to the transaction
